Hello Hello
Written and illustrated by Brendan Wenzel
CHRONICLE BOOKS, 2018

If your baby or toddler won't sit still for a whole book, that's ok! Make reading time short, often and happy!

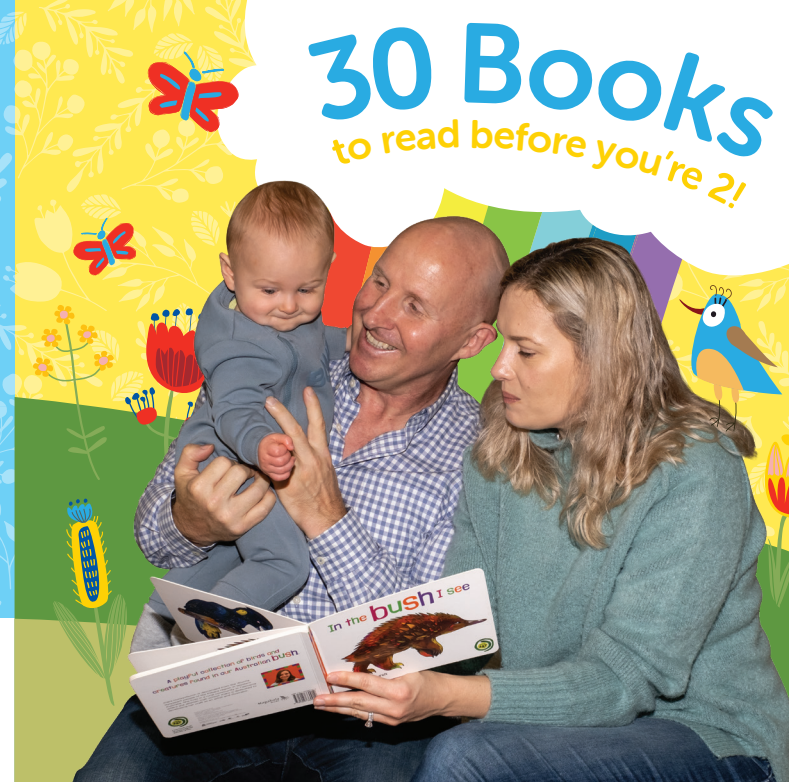

The Better Beginnings early literacy program connects families with books through free reading packs. Our goal is to inspire a love of reading and learning for all Western Australian children.

Better Beginnings is developed and managed by The State Library of Western Australia and delivered through public libraries. The program is funded via a tri-partite alliance between the Government of Western Australia (including Royalties for Regions), Western Australian local governments and Rio Tinto.

Did you know that your baby can have their own FREE library card?

Make book browsing and borrowing at your local public library a regular part of your week.

Rhyme and story sharing sessions may be held at your library too. Just ask!
